This BPA will assist three of CMS missions, which are; be an effective steward of public funds, strengthen and modernize the nation's care system, and provide access to high-quality care and improved health at a lower cost.

"Platinum is thrilled to once again partner with CMS and OIT on their critical efforts," said Jody Venkatesan, Platinum's President & CEO. "CMS Project Management is a vitally important program for CMS as they deliver healthcare to our nation's seniors and most vulnerable populations effectively and efficiently. This award is a major step forward in our company's ability to directly improve projects at CMS.
