

Media Release - Platinum Business Services – Awarded USAMRICD On-Site Professional Support Contract

February 26, 2016 (Laurel, MD) - Platinum Business Services, LLC (Platinum) is beginning work on a USAMRICD On-Site Administrative and Professional Support Services contract. Platinum will provide qualified technical personnel in support of the United States Army Medical Research Institute of Chemical Defense (USAMRICD) and provide the required staffing resources as necessary to allow the USAMRICD to continue to be a recognized leader in the development of chemical warfare countermeasures.

Platinum will support USAMRICD's mission is to discover and develop medical products and knowledge solutions against chemical and biochemical threats through research, education and training, and consultation. As a part of the mission, the USAMRICD offers a wide variety of events and courses to first responders and throughout the Department of Defense (DoD) community. Platinum is providing support personnel for these events and programs as well as daily routine staffing needs. Some of the required support services include administrative support, program analyst support, scientific support, and program management support.

Jody Venkatesan, President and CEO of Platinum said, "We are very thankful to have the opportunity to support the U.S. Army in biomedical and chemical research. This work represents as our single largest Department of Defense (DoD) contract and deepens our past performance in supporting the Army. Our biomedical support now spans three Federal agencies to include; DoD, HHS and the VA. We look forward to in supporting the solutions against chemical and biochemical threats through research, education and training for our nation."
